Did You Know?....

There's a *LOT* of excitement happening in the next few months with this little burger company!

Mardi-Grumps will kick off on February 11 – Beads and Masks will be given out on special days (a real schedule will follow and be posted at your store). "Bead Me Seymour" and Let's make this the BEST Mardi-Grumps yet!

Our company party is coming up at the end of February and you don't want to miss out! It's always a ton of fun, we will have lots of GREAT prizes..... AND the boss picks up the tab! What's a better way to spend your Tuesday evening?!

Grumps' Jalapeno Ketchup won another #MajorAward – First Place Condiment WINNER at The Chile Pepper Awards in December! This competition is open to folks all across the United States and the magazine that hosts the competition is seen internationally! I'd say this ketchup is seen "WORLDLY!"

At our Granbury location, we are opening a family friendly venue where we will be able to host live music on certain days, other fun gatherings, and have room for "SO many activities" (name that movie!)

Grumps is also going to be dipping our toes into the catering world – actually, we're jumping in!! We're looking at adding a mobile catering rig that we can take to other events in "nearby" cities & towns.

We're on the hunt for some new locations – anyone have any ideas??? (*crickets.....*)

With all of that being said, there are going to be several opportunities for movement in Grumps.... Are the lightbulbs going off yet?? If you are interested in making a name for yourself with Grumps – let us know... or show us what'chu got!

What They're Saying....

The thing I love about this Grumps is that even though you might be sitting by yourself, you never feel that awkward alone feeling. The staff is super friendly and always helpful. Doesn't hurt that the food is really good for the price. I'm in here once at week, and am most comfortable at Grumps-Cleburne. –Brad Yelp Review 12/18/2016

Great food, always fresh. Staff friendly and helpful. – Larry Facebook Review 12/20/16
